**Attn: Organized Crime/Interstate Cocaine Trafficking ties to part time Florida residents, Gilbert & Mark Sapperstein kingpins**

**Stone's partial Rebuttal of the Sham Mark Sapperstein Complaint filed with Maryland Attorney General Douglas Gansler as part of a scheme**  
**Extortion Under Color of Law"**  
**(EXHIBIT 1)**

*(This is a snapshot only of Donald Stone's Rebuttal, additional evidence and documents are available).*

*Most obvious is Mark Sapperstein claiming personally to have invested \$2,500 in attempts to fraudulently conceal the fact that the \$45K Gilbert Sapperstein invested into DSII via Mark Sapperstein is alleged to be a portion of the \$3.5 million Gilbert Sapperstein was stealing from the Baltimore School Board between 1991-2003 and that Mark was laundering stolen money by investing into legitimate businesses such as Donald Stone Industries Inc. (DSII).*

Stone responds to this bogus complaint purported to have been written by Mark Sapperstein. Stone suspects because of the extent of the intentional misrepresentation of the facts, intentional vagaries, nebulous so-called Complaint it is entirely possible, because of Mark and Gilbert Sapperstein's close personal and political ties to MD. AG. Gansler and the former MD. AG. Joseph Curran Jr. that this was drafted by the MD. AG. Gansler office on Mark Sapperstein's behalf. (Stone has legal and lawful tape recordings from the US DOJ Bankruptcy 241 meetings and USDOJ internal documents that are irrefutable evidence that former MD. AG. Curran Jr. knowingly and with malicious intent filed falsified affidavits in a MD. State Court proceeding to help Gilbert and Mark Sapperstein steal Stone's valuable patents and intellectual property.

**1.** This is the latest salvo in Mark and Gilbert Sapperstein's organized crime syndicate efforts to destroy Stone just as they destroyed Stone's valuable patents and technology if they couldn't own or control it. Stone's battle against Sapperstein's Organized Crime Syndicate dates back to 1993 and

Sapperstein's their efforts to conceal their ever expanding organized crime syndicate criminal activities from the general public at large and legitimate businesses that Sapperstein's could infiltrate with their ruse of being legitimate and eventually overthrow and control.

Mark also fails to mention the Sham lawsuit "Under Color of Law" he and his crime syndicate associates filed against Stone in early 1994 in Worcester County Circuit Court, MD. after their first couple of extortion attempts to force Stone to capitulate to their demands that Stone turn over his valuable patents and intellectual property to their ownership and control.

The Maryland AG's office has always been mobbed up with the Gilbert & Mark Sapperstein Organized Crime Syndicate, a policy that was started under the former MD. AG. Joseph Curran Jr. is well documented by Stone over the past 18 years.

**2.** The Complaint is purported to be from a third party view that of Mark Sapperstein, speaking on behalf of Edward Ko, who was directly involved in dealing with Stone.

**3.** Noticeably absent is Edward Ko's personal version of the Complaint, as Ko (unsolicited) contacted Stone directly. Ko was claiming to represent Mark Sapperstein's interest in purchasing Stone's www. marylandcorruption.com website.

*Mr. Ziperman, here is a narrative explaining our situation.*

*In late 1992, a friend of ours was raising capital for a new business called Donald Stone Industries (DSII).*

This would be **Bruff J. Procter**, sec/treas. of DSII, who unknown to Stone, was bagman and money launderer for Mark and Gilbert Sapperstein organized crime syndicate and also another swindler, **Charles R. Longo**. Also unknown to Stone, both Procter and Longo were under extensive investigation beginning possibly in the late 1980's till maybe 1998 by the MD. AG's office for one of many fraudulent schemes by Longo involving \$8 million in US. Dept. of Education student loan Pell grants and 2000 documented victims in Maryland and Virginia. During this time in the early 1990' MD. AG. Curran Jr. forced Longo into 3 bankruptcies, personal and two business entities controlled by Longo. In late 1995 Stone obtained via a FOIA request obtained internal USDOJ and MD.AG. documents describing the numerous federal felony offenses involving Procter and Longo. **(EXHIBIT 2)** is a nice summary, but very limited pertaining to Gilbert & Mark Sapperstein crime syndicate associates Bruff J. Procter's (bagman and money launderer for both Sapperstein's & Longo's organized crime syndicate) and Charles R. Longo.

**(EXHIBIT 2)** (Remember running in the background during this time Gilbert & Mark Sapperstein were stealing the \$3.5 million from the Baltimore School Board between 1991-1992)

The individuals identified on this document dated Sept. 1994 are:

**Dale Kelberman**

**Chief White Collar Crimes USDOJ Maryland**

**Kelberman for helping Sapperstein's steal the \$3.5 million was rewarded with a job at Miles & Stockbridge**

**William F. Howard (Bill)**

**MD. Assistant A.G. Higher Education Com.**

Longo's arch enemy. Howard forced Longo into 3 bankruptcies within 4 years, Longo's personal, and 2 entities controlled by Longo, National Training Systems (NTS) and Shippers Choice. All 3 tainted with extensive bankruptcy fraud schemes. Allegedly, the \$ 15K

Longo,

Procter and their attorney Gregory Burgee induced Stone to believe was an investment in DSII is believed now to be part of one of these many bankruptcy fraud schemes perpetrated by Longo & Procter.

**Lori Simpson**

**USDOJ (MD) Bankruptcy Trustee lawyer** responsible responsible for investigating federal bankruptcy fraud involving Longo & Procter multiple federal bankruptcy fraud.

**Michael Beck**

**Lead investigator MD. Higher Education Commission** responsible for investigating Longo & Procter pertaining to the Longo's \$8 million student loan fraud scheme &

*Along with a group of investors, Mark invested \$2,500 into DSII. Mark does not recall actually meeting Donald Stone, although it is possible.*

**The correct amount is \$45K invested into DSII by Gilbert Sapperstein, allegedly part of the \$3.5 million stolen from Baltimore School Board between 1991-2003.**

Mark Sapperstein and Bruff Procter (Sapperstein Bagman and money launderer) induced Stone to initially believe that Mark was making the investment, as Stone was given a \$30K check as an investment into DSII, personally by Mark Sapperstein in Dec. 1992 at Mark's personal residence, Baltimore, in the presence of Bruff J. Procter. Then in early 1993 Mark invested another \$15K into DSII. Stone doesn't remember if he met with Mark personally at this time in Baltimore or not. (Stone needs more time to clarify this) Regardless, it was a total investment of \$45K into DSII. Both the \$30K (**EXHIBIT 3**) and \$15K check were deposited directly into the DSII checking account. .

Then in early 1993 Stone, as President of DSII was preparing the K-1 tax returns for the investors into DSII and Stone asked Procter to get Mark Sapperstein's social security number so he could finalize the preparation of the K-1 tax returns. Procter faxed Stone and told him that Mark was not making the investment, but his dad Gilbert was (**EXHIBIT 4**). Procter obtained Gilbert Sapperstein's social security number and the K-1 tax returns were made out and filed showing Gilbert Sapperstein as having made the \$ 45K investment into DSII (**EXHIBIT 5**) .

More evidence that Gilbert Sapperstein owned the \$45K investment in DSII is the IRREVOCABLE PROXY (notorized on back) signed by all the DSII investors (except Stone) on or about June 5, 1996. Gilbert Sapperstein's name is clearly listed as an investor (not Mark Sapperstein). (**EXHIBIT 6**). This Proxy Statement was a result of the Sham lawsuit filed against Stone, Longo and DSII vs. Stone

in Worcester County Circuit Court, Maryland.

*However, Mark was not involved in any way in the business, other than his investment.*

This statement is partially true until their first extortion attempt targeting Stone, Oct. 15, 1993 when Mark Sapperstein (initially Stone thought the signature on the extortion attempt was Gilbert Sapperstein's) Bruff J. Procter, Charles R. Longo, and Robert Warfield Sr. seized control of DSII) and threatened to have Stone arrested on unspecified criminal charges if Stone didn't capitulate to their demands. Mark Sapperstein in a later telephone conversation personally told Stone in late 1993 that he didn't care if he lost all his money as long as they (Longo, Procter, Mark & Gilbert Sapperstein, Robert Warfield Sr. Bruce A. Moore, Hal P. Glick et al) controlled DSII.

**Goodyear Tire & Rubber CEO, Stanley Gault kneecaps Sapperstein, Longo, Miles & Stockbridge etc. in 1994**

Another event involving Mark Sapperstein's direct involvement in DSII was sometime in 1994 (approx. summer or fall) Longo & Procter used Chieftain Investors (an entity controlled by Mark Sapperstein) private plane to fly across interstate lines to meet with Goodyear Tire & Rubber Co, in Akron, Ohio in an effort to sell the patents and technology they were stealing from Stone to Goodyear Tire & Rubber. Goodyear CEO, Stanley Gault appears to have learned about Longo and Procter's criminal background and refused to talk to them. Gault kneecapped them and sent them whimpering back to Maryland with their little tails stuck between their legs.

**Allegedly the plane was bought with Baltimore School Board stolen money**

\*Stone did send Gault a warning letter about what he knew about Longo and Procter's criminal activities, with newspaper clippings attached, but the dates don't seem to correspond between Stone's letter and a check Longo made out to Chieftain Investors about this flight.

It's also a possibility that the Chieftain Investors plane may have been used to fly to a meeting with Golf Pride in Laurinburg, N.C. sometime in 1994 in an effort to pull a similar scam. The Chieftain Investors airplane was purchased in late 1993 in Frederick, MD. allegedly it was purchased with some of the \$3.5 million Gilbert was stealing from the Baltimore School Board between 1991-2003.

*Then on or about Feb. 22, 1995 unexpectedly Mark Sapperstein called Stone in Florida. Mark was so nervous and talking so fast Stone had to tell him to slow down. Mark told Stone they had made a terrible mistake."Mark also called Longo a thief. Stone told Mark that he was going to Longo and Procter underneath a federal prison. Mark immediately replied, "I will help you"and then immediately changed it to "We will help you."So obviously Mark Sapperstein was involved in numerous hands on facets of operating DSII after Oct. 15, 1993.*

Obviously, *other than his investment* is another lie as stated in the above referenced rebuttal about the \$45K part of the \$3.5 million stolen by Gilbert from the Baltimore School Board

*The company failed and Mark lost his money*

Mark didn't lose anything as the \$45K is alleged to have been stolen money and it wasn't his investment. Plus, it would have been Gilbert Sapperstein that would have lost the \$45K which he had stolen from the Baltimore School Board which was part of the \$3.5 million Gilbert & Mark were stealing from the Baltimore School between 1991-2003 and Mark (on Gilbert's behalf) was laundering the stolen money by investing into legitimate corporations like DSII.

DSII failed because of the criminal activities of the Sappertsein organized crime syndicate and associates, Charles R. Longo, Bruff J. Procter, Robert Warfield Sr. Hal P. Glick, Bruce A. Moore, etc. and their lack of any technical skills to manage emerging new technology, their own stupidity and their enveloping of Stone's valuable patents and technology with the multitude of interwoven

fraudulent criminal activities and schemes such as, Longo and Procter embezzling an estimated \$30K from DSII and their crime syndicate associates, no legitimate corporation would do business with them. Best example Goodyear Tire & Rubber refusing to do business with them.

Calling Stone "Disgruntled" sure doesn't explain why Miles & Stockbridge hired "America's Best Criminal Defense Attorneys" to defend their sleazy law firm and the the 6 USDOJ caught lying about the criminal activities of Sappersteins, Longo etc.

*Apparently disgruntled, in February 1998, Mr. Stone filed a RICO case in Florida against approximately 100 defendants including Mark, the original investors, the US Attorney General and the Director of the FBI.*

Stone did sue 4 to 6 USDOJ lawyers in both the FL RICO and caught them lying on behalf of Sapperstein's organized crime syndicate and trying to white wash the criminal activities of Sapperstein's and Longo's organized crime as a *Business Dispute or Civil Dispute*" Once the USDOJ lawyers were caught lying by Stone, they forced to admit and acknowledge the **Criminal Activities** of the Sapperstein Organized Crime Syndicate et al. as pled by Stone in the FL RICO. Although Stone did not prevail with either the FL RICO or MD RICO the FL RICO was very productive for Stone and produced a windfall of documents and info.

Most Notably:

**1. Stone catches Six USDOJ lawyers caught lying** knowingly, willfully, and with malicious intent trying to "White Wash" the **Criminal Activities** of the other defendants as a Business Dispute or Civil matter. Sufficient grounds for permanent disbarment in the State of Florida.

**(EXHIBIT 7)** These Exhibit & documents can be viewed at:

**2. Miles & Stockbridge, 200 attorney Maryland law firm hires "America's Best Criminal Defense Attorneys"** (not Civil Defense) to defend their corrupt law firm against federal racketeering charges brought by Stone, a man with only a high school education and no financial or legal resources.

**\* Of Special Note** - Miles & Stockbridge was both Sapperstein organized crime syndicate and associates Charles R. Longo, Procter et al go-to law firm for money laundering schemes and federal bankruptcy fraud schemes while during a portion of this time they were legal counsel to the House Oversight Committee in Washington, D.C. Best described as stealing millions from the federal and state tax payer while providing contract services to the federal government.

**3. Stone discovers** what appears to be a new entity Donald Stone Investments Inc. (DSII), the exact same initials as Donald Stone Industries Inc. It's possible that it was an error in drafting the pleadings of Defendant James R. Johnson. In the alternative Stone believes it may have been some type sham investment vehicle using Stone's good name to dupe potential investors. Johnson and Longo, etc. were involved in a approx. \$1.2 to \$2.1 million fraud scheme to sell student loan notes in early 1990's. **(EXHIBIT 9)**

*and the Director of the FBI.*

FBI Director was never named as a defendant in either of Stone's FL/MD RICO.

*The case was dismissed in June 1998.*

This is true. Stone's FL RICO was Dismissed ***Without Prejudice*** with leave to re-file in Maryland.

*In August 1999, Donald Stone purchased the site, marylandcorruption.com, which appears to be dedicated to defaming Mark accusing him of bribery, extortion, money laundering among other illegal activities.*

Stone purchased marylandcorruption.com ( a public service website) to expose Mark and Gilbert Sapperstein's organized crime syndicates and associates multitude of criminal activities as the Sapperstein's have evolved from a couple of politically well connected Baltimore street hustlers and successfully parlayed their politically well connected crime syndicate "Under Color of Law" based in Maryland into one of the most politically powerful, ever expanding organized crime syndicates on the Eastern Seaboard stretching from Maryland to a very strong presence in Florida. Comments by Stone on marylandcorruption.com are well supported with legal and lawful documentation.

\* Sapperstein's are multi-millionaires, they can afford to hire any lawyer or law firm in the USA, but they can't risk suing Stone for alleged defamation, slander, libel etc., because litigation would subject Sapperstein's to discovery, interrogatories, and testimony under oath, all of which would mean public disclosure of their many fraudulent schemes. Sapperstein's could never overcome the basic legal challenge of the legal doctrine known as "Unclean Hands". For Stone "The Truth is an Absolute Defense"

*At some point we became aware of the website but decided to ignore it.*

*In January 2010, Mr. Stone contacts Ms. Crystal Cox, an internet investigative blogger and it appears they team up to defame Mark. Ms. Cox has never met, talked to, emailed or in any way communicated with Mark, yet she proceeded this online campaign entitled "trial by blog."*

*An online search showed 58 different websites she used to defame Mark (list attached). In early 2011, it was brought to Mark's attention that negotiations on a potential business deal were cut short because of the unsubstantiated, false and inaccurate information spewed online.*

*So, we hired a computer expert, Edward Ko, to research what could be done. Mr. Ko's first step was to contact Mr. Stone to see if he could be reasoned with.*

Ko contacted Stone and left a message on Stone's cellphone voice mail.

Stone never ever made any overtures either directly or indirectly to sell his website to anyone, and most certainly never offered this website for sale to Mark Sapperstein or anyone claiming to represent Sapperstein's interest in purchasing the website such as Edward Ko.

***\*The very last time Stone had any dealings with Mark Sapperstein was on or about Feb. 22, 1995, when a very nervous Mark Sapperstein made an unexpected call to Stone in Florida, and called his (Mark's) crime syndicate associate Charles R. Longo & thief! Apparently Sapperstein's et al had discovered they had been swindled by their own crime syndicate associates Longo and Procter who had embezzled \$30K from DSII back in late 1993 and then cooked up a sham lawsuit against Stone to steal his patents and intellectual property and simultaneously cover up the \$30K embezzlement.***

Ko contacts Stone claiming to represent Mark Sapperstein's interest in purchasing Stone's website [www.marylandcorruption.com](http://www.marylandcorruption.com)

Obviously in keeping with the Sapperstein organized crime syndicate modus operandi, Ko was recruited by Mark Sapperstein to help set up a ruse to entrap Stone with malicious prosecution by falsely accusing Stone of extortion, if Stone refused to capitulate to their demands to take down [www.marylandcorruption.com](http://www.marylandcorruption.com). In furtherance of that scheme Mark Sapperstein and Ko had no trouble getting Mark's close personal and/or political acquaintance MD. AG. Gansler to back up their fraudulent scheme to threaten Stone with extortion under color of law.

Stone suspected this was a ruse by Ko and Sapperstein to entrap Stone on some malicious prosecution so he was very careful in how he dealt with Ko and Sappertsein.

*Mr. Stone did not answer that phone call but responded to Mr. Ko by email (attached).*

This is another Sapperstein flagrant lie by Mark Sapperstein.

### **Sequence of Known Events Leading Up to Threats Against Stone**

**I.** On or about May 30, 2011 Ko contacted Stone by leaving a message on Stone's cellphone voicemail copy at this link <http://www.youtube.com/watch?v=eKodHOCieX8>.

Stone was busy on another telephone line and Ko left a message on Stone's cellphone to call him if Stone was interested in selling [www.marylandcorruption.com](http://www.marylandcorruption.com) to Mark Sapperstein.

**II.** Stone responded by calling Ko later in the week on or about April 1, 2011. Stone needed Ko to be more specific as referring what he was referring to when he kept asking Stone about his website(s) plural.

**III.** Stone calls Ko April 1, 2011, Stone questions Ko about his interest in [www.marylandcorruption.com](http://www.marylandcorruption.com).

Stone tells Ko he needs more specifics and letter from Mark Sapperstein confirming that Ko is representing his interest.

Stone ask Ko to send him his email address so that Stone has the correct email address to send sale proposal to.

**IV.** Ko sends Stone his email address and thanks Stone for his help. Stone emails Ko that he will prepare a sales proposal over weekend. **(EXHIBIT 10)**.

**V.** Stone prepares sales proposal for Ko over weekend and emails it to Ko **(EXHIBIT 11)**

*The email demanded \$2.5 million to stop this harassment.*

**Stone makes no demands in the e-mailed proposal**

**VII.** Stone receives no response from Ko or letter from Mark Sapperstein and sends one last email to Ko just to determine whether or not Ko had received Stone's sales proposal. **(EXHIBIT 12)**

**VIII.** Stone receives no reply from either Ko or Sapperstein and considers the matter closed, and makes no other attempt to contact Ko or Sapperstein. Stone suspects that it was a failed fraudulent scheme by Sapperstein and Ko to entrap Stone with possibly malicious prosecution, "Extortion Under Color of Law".

**IX.** On or about June 30, 2011 Stone receives and oddly worded email from Crystal Cox, ***You did not even realize it but i kind of turned on you, you offended me a while back and did not even realize it,***

**please STOP with the Suggestions.** Ask by Cox never to contact her ever again, Stone complied and severed all contact with Cox on or about June 30, 2011. **(EXHIBIT 13)**

**X.** On or about July 21, 2011 in the letter from MD. AG. Gansler was the first time Stone realized what Cox meant in her oddly worded e-mail to Stone on June 30, 2011.

This was the first time that Stone had any knowledge of Cox contacting Edward Ko or Mark Sapperstein on or about April 8, 2011 and offering her services to Mark Sapperstein or Edward Ko.

In closing, Stone's rebuttal does not nor attempt to address the purported Mark Sapperstein Complaint. Additional documents, evidence, etc. is possessed by Stone and will be provided when necessary.

Stone believes he has submitted more than enough supporting evidence and documentation that clearly defines the purported Mark Sapperstein Complaint, predominately a work of fiction, that was knowingly, willfully and with malicious intent created as part of a scheme and artifice to threaten Stone with malicious prosecution and to falsely charge Stone, with extortion, if he didn't capitulate to MD. AG. Ganslers and Mark Sapperstein's demands and threats to shut down Stone's website, [www.marylandcorruption.com](http://www.marylandcorruption.com).

And that upon thorough review of the documentary evidence FL. AG. Bondi will investigate and prosecute fully those involved in targeting Stone with "Extortion Under Color of Law".

And initiate disbarment proceedings against Gansler and any other attorney involved in this fraud and chicanery.

Best Regards,

Donald Stone

Mr. Ziperman, here is a narrative explaining our situation.

In late 1992, a friend of ours was raising capital for a new business called Donald Stone Industries (DSII). Along with a group of investors, Mark invested \$2,500 into DSII. Mark does not recall actually meeting Donald Stone, although it is possible. However, Mark was not involved in any way in the business, other than his investment. The company failed and Mark lost his money.

\$45K ALLEGED TO HAVE BEEN PART OF \$3.5 MILLION STOLEN BY GILBERT & MARK SAPPERSTEIN FROM BALTIMORE SCHOOL BOARD 1991-2003

Apparently disgruntled, in February 1998, Mr. Stone filed a RICO case in Florida against approximately 100 defendants including Mark, the original investors, the US Attorney General and the Director of the FBI. The case was dismissed in June 1998.

STONE DID NOT

STONE DID NOT

"WITHOUT PREJUDICE"

In August 1999, Donald Stone purchased the site, marylandcorruption.com, which appears to be dedicated to defaming Mark accusing him of bribery, extortion, money laundering among other illegal activities. At some point we became aware of the website but decided to ignore it.

MARK & GILBERT SAPPERSTEIN CRIMINAL ACTIVITIES

In January 2010, Mr. Stone contacts Ms. Crystal Cox, an internet investigative blogger and it appears they team up to defame Mark. Ms. Cox has never met, talked to, emailed or in any way communicated with Mark, yet she proceeded this online campaign entitled "trial by blog." An online search showed 58 different websites she used to defame Mark (list attached).

In early 2011, it was brought to Mark's attention that negotiations on a potential business deal were cut short because of the unsubstantiated, false and inaccurate information spewed online. So, we hired a computer expert, Edward Ko, to research what could be done.

Mr. Ko's first step was to contact Mr. Stone to see if he could be reasoned with. Mr. Stone did not answer that phone call but responded to Mr. Ko by email (attached). The email demanded \$2.5 million to stop his harassment. We did not respond.

DID NOT DEMAND

Four days later, Mr. Ko received an email from Ms. Cox (attached). She appeared upset that although she helped Mr. Stone promote his defamatory information he did not offer her a share of his \$2.5 million demand. So she suggests we pay her \$25,000 upfront and \$10,000 a month to get her to stop. She writes that in order to prepare for this extortion attempt, she purchased the domain marksapperstein.com. Ms. Cox posts Mark's address, birthday and social security number on her website. We did not respond.

STONE WAS COMPLETELY UNAWARE OF COX'S EFFORTS TO SELL HER SERVICES TO KO & SAPPERSTEIN

We are asking for your help for the purpose of stopping these people, getting our good name back. Their contact information that I have is attached. Please do not hesitate to contact me if you need any additional information or clarification.

### III. Possible Securities or Mail Fraud Concerns

- A. Private Offerings by Shippers' Choice/American Credit Co. totaling approximately \$500,000 in Sept. '92, Dec. '92 and Mar. '93, guaranteed by Charles R. Longo
  - with no disclosure of the financial status of Mr. Longo, the fact that he was in bankruptcy, and with the guarantee of questionable legality in the bankruptcy proceedings
  - warranties to investment broker that company was authorized to conduct its business in accordance with law and that no actions or proceedings had been filed or threatened against it, contrary to cease and desist letters from MHEC
  - possible misuse of proceeds by Charles R. Longo individually, rather than for corporate purposes

-possible unreported officer loan income/questionable deductions for \$704,317 in claimed "business losses" for loans# pp. 29-31, 49-52 and 39-40.

-mysterious transfers from NTS probably not reported or

accounted for on income tax return

C. 1991 and later returns

On information & belief, the \$45K Gilbert Sapperstein invested in DSII is believed to be part of the \$3.5 million Gilbert was stealing from the Baltimore School Board between 1991-2003 and his son Mark was laundering by investing into legitimate businesses such as DSII.

At the appropriate time using fraud and chicanery Sapperstein's organized crime syndicate would then seize control of the businesses and convert the valuable assets into the absolute ownership and control of Sapperstein's organized crime syndicate and associates.

In the case of DSII it was Stone's valuable patents and technology they were after.

This is copy of 1st \$30K investment into DSII Dec. 16, 1992. This was given to Stone by Mark Sapperstein (personally) at Sapperstein's residence in Baltimore, in the presence of Bruff J. Procter (bagman & money launderer for Sapperstein & Longo organized crime syndicates, unknown to Stone) Procter introduced Stone to Sapperstein at this 1st time meeting with Sapperstein.

There would be another \$15K Sapperstein investment into DSII in early 1993. Stone initially assumed that Mark Sapperstein was making the investment into DSII until Stone, President of DSII was making out the DSII K-1 investor tax returns and asked Procter to get Mark Sapperstein's social security number.

Procter responded via fax dated 5-27-93 informed Stone that Mark was making the investment on behalf of Gilbert Sapperstein and Stone made the DSII K-1 tax returns out to Gilbert Sapperstein which were filed with the IRS with Gilbert's social security number on the K-1 returns.

The amount of shares on Gilbert Sapperstein's DSII K-1 tax is indicated as 7.5% = 2.5% per \$15K investment into DSII or \$45K total.

This \$30K would represent a 5% interest in DSII.

This refers to my first meeting with Mark Sapperstein in Baltimore in Dec. 1992 in which Mark gave me a check for \$30K as an investment in DSII. In early 1993 Mark made another \$15K investment in DSII. When I had the DSII federal K-1 tax returns prepared for the investors for 1992, Procter informed me via this fax that Mark was making the investments into DSII on behalf of his father, Gilbert. Neither Longo or Gilbert ever signed the "Accredited Investor" Forms, Longo couldn't, he was in Bankruptcy and a "Debtor in Possession"

This is a proxy statement notarized on back Sapperstein's organized crime syndicate (while stealing \$3.5 million from Baltimore School Board 1991-2003) and Longo embezzling approx. \$30K from DSII prevailed in the sham lawsuit Stone in Worcester County Circuit court. Longo & DSII vs. Stone in which the Sapperstein Organized crime syndicate & associates cooked the DSII corporate documents & stole a DSII stock certificate belonging to Stone. And then issued to Stone a fraudulent stock certificate on DSII.

This document clearly indicates Gilbert Sapperstein as an investor in DSII, not Mark Sapperstein

As these individuals would constitute all of the owners of DSII stock except for Stone, the founder of DSII.

\* Of special note is that the \$15K Longo claimed as an investment into DSII is money believed to be, that Longo & Procter were hiding from the creditors in Longo's several bankruptcies, consisting of federal bankruptcy fraud

3. In 1989, I formed Washington Investment Corporation, a District of Columbia corporation. Washington Investment Corporation ("WI") provides a variety of general stock brokerage services. I have been the president of WI since its formation in 1989 and I am actively involved in the retail sale of stocks and bonds. In addition, I perform various supervisory and compliance functions for WI.

4. I am aware of the allegations in the complaint filed against me and others by Donald D. Stone. Mr. Stone has never been a client of mine or of WI. I have never solicited Mr. Stone to become a client or to participate in any investments or business transactions in which I or WI was involved. To the best of my knowledge and belief, no employee of WI has ever solicited Mr. Stone to participate in any investments or business activities in which WI was involved.

5. Neither I, WI, nor any employee of WI has ever invested with, purchased stock in, or lent money to Mr. Stone or to the company known as Donald Stone Investments, Inc.

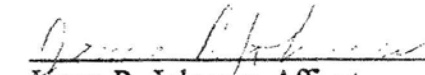

6. My single encounter with Mr. Stone occurred approximately two years ago. Sometime in 1996, Mr. Stone called my company's office in Washington, D.C. and began asking questions about Charles Longo. While Mr. Longo has been my neighbor for many years, my sole business involvement with Mr. Longo occurred in approximately 1993, when WI assisted Mr. Longo's company, Shipper's Choice, Inc. by privately placing with its clients an offering of notes for Mr. Longo's company. Other than that private placement by WI, neither I nor WI has had any business dealings with Mr. Longo or any of his companies. Neither Mr. Stone nor his company Donald Stone Investments, Inc., participated in that private offering as an investor or otherwise. The telephone call with Mr. Stone lasted approximately one minute. During that brief time Mr. Stone made it clear to me that he was seeking confidential financial information

about Charles Longo. I explained to him that I would not disclose any information about Mr. Longo without Mr. Longo's prior permission. The call ended with my firm, but polite, refusal to engage in any discussions with Mr. Stone about Mr. Longo.

7. Prior to this telephone call, I had never met with, spoken to or had any dealings with Mr. Stone. I have had no contact with Mr. Stone since the telephone conversation I described above.
